13.5.2 **Excise Duty:-**

- a) *Vide Notification No. 10/97-CE dated 1.3.1997 (as amended by 16/07-CE), the goods to be supplied to Indian Council of Agricultural Research (ICAR) and its constituent Institutes against ICAR contracts (including contracts executed by ICAR Institutes) for any Research-related purposes are fully exempted from levy of any Excise Duty, consequential sales tax / VAT, etc., provided the prices are quoted ex-works by the Supplier.*

Keeping this in view, the supplier shall ensure that the stores to be supplied by the supplier against the contract placed by the purchaser are exempted from levy of any Excise duty or consequential sales tax and, accordingly, obtain the necessary Excise Duty Exemption Certificate from the purchaser.

- b) For supplying the Goods to the purchaser for purposes not related to any Research, if the reimbursement of excise duty is intended as extra over the quoted prices, the supplier must specifically say so also indicating the rate, quantum and nature of the duty applicable. In the absence of any such stipulation, it will be presumed that the prices quoted are firm and final and no claim on account of excise duty will be entertained after the opening of Bids.
- c) If a Bidder chooses to quote a price inclusive of excise duty and also desires to be reimbursed for variation, if any, in the excise duty during the time of supply, the Bidder must clearly mention the same and also indicate the rate and quantum of excise duty included in its price. 13.5.4 **Octroi Duty and Local Duties & Taxes:**

Normally, goods to be supplied to government departments against government contracts are exempted from levy of town duty, octroi duty, terminal tax and other levies of local bodies. However, on some occasions, the local bodies (like town body, municipal body etc.) as per their regulations allow such exemptions only on production of certificate to this effect from the concerned government department. Keeping this in view, the supplier shall ensure that the stores to be supplied by the

supplier against the contract placed by the purchaser are **exempted** from levy of any such duty or tax and, wherever necessary, **obtain the exemption certificate** from the purchaser.

However, if a local body **still insists** upon **payment** of such **local duties** and **taxes**, the same should **be paid** by the **supplier** to the local body to **avoid delay** in supplies and **possible demurrage charges** and **obtain a receipt** for the same. The supplier should **forward** the **receipt** obtained for such payment to the **purchaser** to **enable** the purchaser take **necessary action** in the matter.

13.5.5 Customs Duty:

In respect of **imported stores** offered from abroad, the **Bidder** shall **specify** the **rate** as well as the **total amount of customs duty payable**. The **Bidder** shall also **indicate** the **corresponding Indian Customs Tariff Number** applicable for the **goods** in question.

Keeping this in view, the **supplier** shall **ensure** that the **imported stores** to be **supplied** by the **supplier** against the **contract** placed by the **purchaser** are **exempted** to the admissible extent from levy of any **Custom duty** or consequential excise duty or sales tax and, accordingly, **obtain the necessary Custom Duty Exemption Certificate** from the **purchaser**.

- 13.6 For **transportation** of **imported goods** offered from abroad, relevant **instructions** as incorporated under **GCC Clause 10** shall be followed.
- 13.7 For **insurance** of **goods** to be supplied, **relevant instructions** as provided under **GCC Clause 11** shall be followed.
- 13.8 Unless otherwise specifically indicated in this Bidding document, the terms FOB, FAS, CIF, **CIP** etc. for **imported goods** offered from abroad, shall be **governed by** the rules & regulations prescribed in the current edition of **INCOTERMS**, published by the **International Chamber of Commerce, Paris**.
- 13.9 The **need** for **indication** of all such **price components** by the **Bidders**, as required in **this clause** (viz., **GITB clause 12**) is for the **purpose** of **comparison** of the **Bids** by the **purchaser** and will **no way restrict** the **purchaser's right** to **award** the **contract** on the **selected Bidder** on **any** of the **terms offered**.

14. Indian Agent

- 14.1 If a **foreign Bidder** has **engaged** an **agent** in **India** in connection with its **Bid**, the **foreign Bidder**, in addition to **indicating** (i.e. **disclosing**) the **Indian agent's commission**, if any, in a manner described under **GITB sub clause 12.2 above**, shall also furnish the following information:-

 - b) The **details** of the **services** to be **rendered** by the **agent** for the **subject requirement**.

15. Firm Price / Variable Price

- 15.1 Unless otherwise **specified** in the **SITB**, prices quoted by the **Bidder** shall remain firm and fixed during the currency of the contract and not subject to variation on any account. If a Bidder, against the requirement for fixed price Bid, submits the Bid with variable/ adjustable price, that Bid will be treated as unresponsive and rejected.

F. SCRUTINY AND EVALUATION OF BIDS

26. Basic Principle

- 26.1 Bids will be evaluated on the basis of the terms & conditions already incorporated in the Bidding document, based on which Bids have been received and the terms, conditions etc. mentioned by the Bidders in their Bids. No new condition will be brought in while scrutinizing and evaluating the Bids.

27. Preliminary Scrutiny of Bids

- 27.1 The Bids will first be scrutinized to determine whether they are complete and meet the essential and important requirements, conditions etc. as prescribed in the Bidding document. The Bids, which do not meet the basic requirements, are liable to be treated as unresponsive and ignored.

- 27.2 The following are some of the **important aspects**, for which a **Bid** may be **declared unresponsive** and ignored;

- (i) **Bid is unsigned.**
- (ii) Bidder is not eligible.
- (iii) Bid validity is shorter than the required period.
- (iii) Required BID SECURITY has not been provided.
- (iv) Required warranty is shorter than as mentioned in SCC.
- (v) **Bidder** has quoted for goods manufactured by a different firm without the required authority letter from that manufacturer.
- (vi) **Bidder** has not agreed to give the required performance security.
- (vii) Goods offered are sub-standard, **not meeting the required specification etc.**

- (viii) Bidder has quoted variable price against the requirement of firm price.
- (ix) **Delivery period quoted by the Bidder** is beyond the required period projected in the Bidding document.
- (x) Against a schedule in the List of Requirement (incorporated in the Bidding), the Bidder has not quoted for the entire requirement as specified in that schedule.
- (xi) Bidder has not agreed to essential condition(s) specially incorporated in the Bidding.

28. Minor Informality/Irregularity/Non-Conformity

- 28.1 If during the preliminary examination, the purchaser find any minor informality and/or irregularity and/or non-conformity in a Bid, the **purchaser may waive the same** provided it **does not constitute any material deviation and financial impact** and, also, **does not prejudice or affect the ranking order of the Bidders**. Wherever necessary, the purchaser will convey its observation on such 'minor' issues to the Bidder by registered/speed post etc. asking the Bidder to respond by a specified date. If the Bidder does not reply by the specified date or gives evasive reply without clarifying the point at issue in clear terms, that Bid will be liable to be ignored.

29. Discrepancy in Prices

- 29.1 If, in the **price structure quoted by a Bidder**, there is discrepancy between the unit price and the total price (which is obtained by multiplying the unit price by the quantity), the unit price shall prevail and the total price corrected accordingly, unless the **purchaser feels that the Bidder has made a mistake in placing the decimal point in the unit price, in which case the total price as quoted shall prevail over the unit price and the unit price corrected** accordingly.
- 29.2 If there is an **error in a total price**, which has been worked out through addition and/or **subtraction of subtotals**, the **subtotals** shall prevail and the **total corrected**; and
- 29.3 If there is a discrepancy between the amounts express in words and figures, the **amount in words shall prevail**, subject to **sub clause 29.1 and 29.2 above**.
- 29.4 If, as per the judgment of the purchaser, there is any such **arithmetical discrepancy** in a Bid, the same will be **suitably conveyed to the Bidder** by registered / speed post. If the Bidder does not agree to the observation of the purchaser, **the Bid is liable to be ignored**.

30. Discrepancy between original and copies of Bid

- 30.1 In case **any discrepancy is observed between the text etc. of the original copy** and that in the **other copies** of the **same Bid set**, the text etc. of the **original copy shall prevail**. Here also, the **purchaser will convey its observation suitably to the Bidder by register / speed post** and, if the **Bidder does not accept the purchaser's observation**, that **Bid will be liable to be ignored**.

31. Qualification Criteria

- 31.1 **Bids of the Bidders**, who do not meet the required **qualification criteria** prescribed in **Section IX**, will be treated as **unresponsive** and will **not be considered** further.

32. Conversion of Bid currencies to Indian Rupees

- 32.1 In case the Bidding document permits the Bidders to quote their prices in different currencies, all such quoted prices of the responsive Bidders will be converted to a single currency viz., Indian Rupees for

the purpose of equitable comparison and evaluation, as per the B.C. selling exchange rates established by the State Bank of India for similar transaction, as on the date of Bid opening.

33. Schedule-wise Evaluation

- 33.1 In case the List of Requirements contains more than one schedule, the **responsive Bids will be evaluated and compared separately for each schedule**. The Bid for a schedule will not be considered if the complete requirement prescribed in that schedule is not included in the Bid. However, as already mentioned in GITB sub clause 13.2, Bidders have the option to quote for any one or more schedules and offer discounts for combined schedules. Such discounts, wherever applicable, will be taken into account to determine the Bid or combination of Bids offering the lowest evaluated cost for the purchaser in deciding the successful Bidder for each schedule, subject to that Bidder(s) being responsive.

34. Comparison on CIP Destination Basis

- 34.1 Unless mentioned otherwise in “Section-III:– Special Instructions to Bidders” and “Section-VI “– List of Requirements”, the **comparison of the responsive Bids shall be on “CIP destination basis, duly delivered, commissioned, etc.”**, as the case may be.

35. Additional Factors and Parameters for Evaluation and Ranking of Responsive Bids

- 35.1 Further to GITB Clause 34 above, the purchaser’s evaluation of a Bid will include and take into account the following:
- i) in the case of goods manufactured in India or goods of foreign origin **already located in India, sales tax & other similar taxes and excise duty & other similar duties, which will be contractually payable (to the Bidder), on the goods, if a contract is awarded on the Bidder; and**
 - ii) in the case of goods of foreign origin offered from abroad, **customs duty and other similar import duties/taxes, which will be contractually payable (to the Bidder) on the goods if the contract is awarded on the Bidder.**
- 35.2 The purchaser’s **evaluation of Bid** will also **take into account** the **additional factors**, if any, incorporated in **SITB** in the **manner** and to the **extent indicated therein**.
- 35.3 In case there is **provision** in the Bid documents for price preference to small scale sectors etc. and **purchase preference to central public sector undertakings**, the same will also be taken care of while evaluating, comparing and **ranking the responsive Bids**.
- 35.4 If the Bids have been invited on variable price basis, the Bids will be evaluated, **compared and ranked on the basis of the position as prevailing on the day of Bid opening** and not on the basis of any future date.

36. Bidder’s capability to perform the contract

- 36.1 The purchaser, through the above process of **Bid scrutiny** and **Bid evaluation** will determine to its satisfaction whether the Bidder, *whose Bid has been determined as the **lowest evaluated responsive Bid***, **is eligible, qualified and capable in all respects to perform the contract satisfactorily**. If there is more than one schedule in the **List of Requirements**, *then, **such determination will be made separately for each schedule***.
- 36.2 The above mentioned determination will *inter alia*, take into account the Bidder’s **financial, technical and production capabilities for satisfying all the requirements of the purchaser** as incorporated in the **Bid document**. Such determination will be based upon **scrutiny and examination of all relevant data and**

details submitted by the Bidder in its Bid as well as such other allied information as deemed appropriate by the purchaser.

37. Contacting the Purchaser

37.1 From the time of submission of Bid to the time of awarding the contract, if a **Bidder needs to contact the purchaser for any reason relating to this Bidding and / or its Bid**, it should do so only in writing.

37.2 In case a **Bidder attempts to influence the purchaser** in the purchaser's decision on scrutiny, comparison & evaluation of Bids and awarding the contract, the Bid of the Bidder shall be liable for rejection in addition to appropriate administrative actions being taken against that Bidder, as deemed fit by the purchaser.

G. AWARD OF CONTRACT

38. Purchaser's Right to accept any Bid and to reject any or All Bids

38.1 The **purchaser reserves the right** to accept in part or in full any Bid or reject any Bid without assigning any reason or to cancel the Bidding process and reject all Bids at any time prior to award of contract, without incurring any liability, whatsoever to the affected Bidder or Bidders.

39. Award Criteria

39.1 Subject to GITB clause 38 above, the **contract** will be awarded to the lowest evaluated responsive Bidder decided by the purchaser in terms of GITB Clause 36.

40. Variation of Quantities at the Time of Award

40.1 **At the time of awarding the contract**, the purchaser reserves the right to increase or decrease by upto **twenty-five per cent**, the quantity of goods and services mentioned in the schedule (s) in the "**List of Requirements**" without any change in the unit price and other terms & conditions quoted by the Bidder.

41. Notification of Award

41.1 Before expiry of the Bid validity period, the purchaser will notify the successful Bidder(s) in writing, by registered / speed post or by fax/ telex/cable (to be confirmed by registered / speed post) that its **Bid for goods & services**, which have been selected by the purchaser, has been accepted, also briefly indicating there in the essential details like description, specification and quantity of the goods & services and corresponding prices accepted. The successful Bidder must furnish to the purchaser the required performance security within **twenty-one days** from the date of this notification. Relevant details about the **Performance Security** have been provided under **GCC Clause 5** under **Section IV**.

41.2 The notification of award shall constitute the conclusion of the contract.

42. Issue of Contract

42.1 Promptly after notification of award, the purchaser will mail the contract form (as per Section XVI) duly completed and signed, in duplicate, to the successful Bidder by registered / speed post.

42.2 Within fifteen days from the date of the contract, the successful Bidder will return the original copy of the contract, duly signed and dated, to the purchaser by registered / speed post.

43. Non-receipt of Performance Security and Contract by the Purchaser

- 43.1** Failure of the successful Bidder in providing **performance security** and / or returning contract copy duly signed in terms of **GITB clauses 41 and 42** above shall make the Bidder liable for forfeiture of its BID SECURITY and, also, for further actions by the purchaser against it.

44. Return of Bid Security

- 44.1** The earnest money of the successful Bidder and the unsuccessful Bidders will be returned to them without any interest, whatsoever, in terms of GITB Clause 19.6.

45. Publication of Bid Result

- 45.1** The name and address of the successful Bidder(s) receiving the contract(s) will be mentioned in the notice board/bulletin/web site of the purchaser.

The Bid Nos. **1/3, 2/3 & 3/3** are considered as **incomplete bid** as they have **not quoted** for the **complete quantities** and, hence, **do not** fulfill the requirement of clause **GITB 27.2** of the **bid documents** and are considered to be **responsive on this account**.

5.4 Legal validity : In terms of **GITB 20.1** (*read with corresponding SITB provisions*), the **bid validity period** of **180 days** is required from the **date of opening of bids** i.e. **from 22.11.2016**. Therefore, the **Bids** must remain **valid upto 21st May, 2017**. The bidders have quoted validity as follows:-

Bid No.	Name of Bidder	Bid Validity provided	Meets Terms?	Bid Validity prescribed
1/3			Yes/No	180 days (upto 21.05.2017)

However, the **Bidder No. .../3** has **not** quoted **Bid validity** as per bid document and hence its bid is considered **unresponsive on this account**.

As per **clause 19** of **GITB**, the bid security shall be in **Indian Rupees** and *if submitted in the form of Bank Guarantee*, it shall **remain valid** for a **further period of 90 days beyond the bid validity**. *As the bids were opened on 22.11.2016, with Bid Validity required upto 21.02.2017*, the **Bank Guarantees (BG)** submitted as **bid security** should remain **valid up to 21st February 2017**. 3/3						Yes/No

Hence, the **Bidder Nos. .../3 & .../3** have provided the **Bid Security** as well as the **Bid Security validity** as per bid document and hence their bids are considered **responsive on this account**.

However, the **Bidder No. .../3** has **not** provided the **Bid Security** and/or the **Bid Security validity** as per bid document and hence its bid is considered **unresponsive** on **this account**.

3/3			Yes/No

Thus, the **Bidder Nos. .../3 & .../3**, who are **Indian Agents** of their respective **Manufacturers/Principals**, have provided the **Manufacturer's Authorization** in the **format** prescribed in the Bid Document and hence their bids are considered **responsive** on **this account**.

However, the **Bidder No. .../3**, who is the **Indian Agent** of its respective **Manufacturer/Principal**, has not provided the **Manufacturer's Authorization** and hence its bid is considered **unresponsive** on **this account**.

Meanwhile, the **Bidder No. .../3** (i.e. **M/s.**) is the subsidiary of **M/s.**, **.....**, the **Principal Manufacturer**. Hence, its bid is considered as **responsive** on this account.

5.7. **Warranty:**
