

## Division of Crop Research

### Personal Details

Mr. Abhishek Kumar  
Scientist (Agroforestry)  
Address : Division of Crop Research, ICAR Parishar,  
ICAR- Research Complex for Eastern Region,  
P.O.- B. V. College, Patna – 800 014, Bihar  
Email-ID : [abhifcp@gmail.com](mailto:abhifcp@gmail.com), [abhishek.kumar@icar.gov.in](mailto:abhishek.kumar@icar.gov.in)

### Research Interest

Agroforestry, tree-crop interaction, biomass and carbon sequestration, litter production, its decomposition and nutrient return in agroforestry systems

### Research Highlights

Diagnostic and design of location specific agroforestry models , biomass production and carbon sequestration through agroforestry, litter production and its decomposition pattern in agroforestry systems

### Memberships / Fellowships

1. Lifetime Membership of Arid Zone Research Association of India, Jodhpur, Rajasthan.
2. Awarded ICAR-Senior Research Fellowship (PGS) – 2019 in Forestry/Agroforestry

### Publication Details

Research papers- 8, Abstract- 2, Popular article-5, Book Chapters-3
