

Awareness-cum-Demonstration programme on "Application of agro-chemical in *rabi* crops through drone technology" in Jamui district of Bihar

Awareness-cum-Demonstration programme on “Application of agro-chemical in *rabi* crops through drone technology” was organised at KVK, Jamui and Thari village, Laxmipur block, Jamui district, Bihar during 6-7th December, 2024. Live demonstrations of spraying of agro-chemical through drone were conducted on *rabi* crops such as wheat and maize. Dr. Pawan Jeet aware farmers about operating procedures of drone and conducted a live demonstration in the field. Dr. Prem Kumar Sundaram highlighted the advantages and subsidy offers on drone technology in agriculture. Under this programme, spraying of nano urea was demonstrated at KVK Jamui and Thari village, Jamui district, Bihar with drone technology. More than 100 farmers were present at the demonstration site during the programme. Shri Manoj Kumar Sinha assists in various activities during the programme.
