

## Awareness programme on “Livelihood Improvement of Scheduled Caste Farmers through Agricultural Technology Inputs” under SCSP project at Abupur village (Block: Naubatpur) Patna

Under the Scheduled Caste Sub Plan (SCSP) project, ICAR-Research Complex for Eastern Region (ICAR-RCER), Patna organized an awareness programme entitled “Livelihood

Improvement of Scheduled Caste Farmers through Agricultural Technology Inputs” on **22-12-2022** at Abupur village of Naubatpur block, Patna. More than 160 SC beneficiaries participated in this programme. During this programme agricultural inputs such as Tarpaulins (160 no.), Pick axe (160 no.) and Spade (160 no.) were distributed among 160 SC farmers. A healthy and fruitful farmer-scientist discussion was also happened during the program. During the programme, **Dr. Bikash Sarkar**, (Pr. Scientist, ICAR-RCER, Patna) discussed

importance of improved agricultural technologies. **Dr. Ved Prakash** (Scientist, ICAR-RCER, Patna) discussed the selection of different crop varieties according to changing climatic conditions. He also stressed on post-harvest losses management practice. **Dr. Pawan Jeet**, (Scientist, ICAR-RCER, Patna) stressed on water management techniques for enhancing agricultural productivity. **Dr. Govind Makarana** (Scientist, ICAR-RCER, Patna) discussed the improved agronomic practices for *Rabi* season’s pulse crop. The programme was successfully organized by Dr. Bikash Sarkar, Dr. Ved Prakash, Dr. Pawan Jeet and Dr. Govind Makarana with the coordination of village ward member Mrs. Sheela Devi.
