

## Field day on “Livelihood Improvement of Scheduled Caste Farmers through Agricultural Technology Inputs” at Saristabad, Patna under SCSP project

A Field day on “Demonstration cum distribution of small agricultural inputs among SC farmers for Livelihood improvement” was organized by ICAR–RCER on 25/07/2022 under SCSP scheme at Saristabad village, Naubatpur, Patna. During this programme agricultural inputs such as Tarpaulins (180 no.) and Sprayers (180 no.) were distributed among 180 SC farmers. A

healthy and fruitful farmer-scientific discussion was also happened during the program. During the programme, Dr. Bikash Sarkar, (Pr. Scientist, ICAR–RCER, Patna) discussed importance of improved agricultural technologies. Dr. Ved

Prakash (Scientist, ICAR–RCER, Patna) discussed the multipurpose uses of distributed agricultural inputs (Agricultural tarpaulins, water pumps, and sprayers). Dr. Pawan Jeet, (Scientist, ICAR–RCER, Patna) stressed on water management techniques for enhancing productivity of rice crop. Dr. Govind Makarana (Scientist, ICAR–RCER, Patna) discussed the importance of weed management strategies in major field crops of *kharif* season. The programme was successfully organized by Dr. Ved Prakash, Dr. Pawan Jeet and Dr. Govind Makarana with the coordination of village ward member Mrs. Geeta Devi and gram panchayat head Mrs. Archana Kumari.
