

**ICAR-RCER organized Goat Health Camp under AICRP on Goat Improvement on 24<sup>th</sup> November 2022**

ICAR Research Complex for Eastern, Patna organized Animal Health Camp under AICRP on Goat Improvement project on 24<sup>th</sup> November 2022 at Khairimal village, Ward No. 6 & 8, Chakiyablock of East Champaran district, Bihar. The village is dominated by SC population and goat farming is an important livelihood option. During the programme, more than 86 goats were vaccinated with PPR. Deworming was done to 160 goats. Forty five SC farmers were also distributed 15 kg of mineral mixture. Need based treatment was provided to thirty five goats. An Awareness programme was also organized in this village on feeding of kids. Total 62 farmers participated in the awareness programme.
