

ICAR-RCER organized Animal Health Camp under AICRP on Goat Improvement to celebrate *Azadi Ka Amrit Mahotsav* during 9-10 September 2021

ICAR Research Complex for Eastern, Patna organized two days Animal Health Camp under AICRP on Goat Improvement project during 9-10 September 2021 at Tari Dabil village, Khaira block and Korasi village, Sikandara block of Jamui district, Bihar. Korasi village is dominated by ST population and Tari Dabil village has mixed population. During two days programme, more than 200 goats were vaccinated with PPR. Deworming was done to 225 goats. Farmers were also distributed 25 kg of mineral mixture. An Awareness programme was also organized in these two villages on goat feeding and management practices. Feeding orphan kids was also demonstrated in the villages. Total 152 farmers participated in the awareness programme.
