

Hon'ble Prime Minister Released two Varieties of Institute on August 11, 2024

It's a proud moment for ICAR Research Complex for Eastern Region, Patna. Two of our varieties: 1. Rice variety Swarna Purvi Dhan-5 and 2. Bael Variety Swarna Vasudha were released by Hon'ble PM of India on August 11, 2024. These varieties will be highly useful to farmers and will help in achieving food and nutritional security in our country.
