

## Kisan and Vigyan Diwas

Kisan and Vigyan Diwas was celebrated on 25<sup>th</sup> December 2019 at KVK, Buxar on the eve of Bharat Ratna Late Atal Bihari Vajpaee's birthday. Shri Vinod Singh (Kisan Shree, Buxar) participated as Chief Guest in this programme. Shri Hari Govind I/c PC KVK Buxar welcomed all the participants and emphasized on the application of small farm machinery to reduce the load of farm women and drudgery reduction. He also mentioned the role of science and its contribution to food security and making agriculture as a profitable venture. Shri Vinod Singh said that *Kisan* and *Vigyan* is the need of the hour to boost the agriculture production. Mr. Ramkewal, SMS emphasized on linking traditional agriculture with modern science and its application through food processing and its role in value addition.

Dr. Mandhata Singh narrated that introduction of high yielding varieties and productivity is the result of inclusion of science and technology in agriculture.

Appeal to shun the use of plastic was also done to all the participants to save earth and environment. 35 participants were present in the programme.
