

## **Library system**

The Institute Library was established in the year 2001, since then it continues to make progress in its programme to face the challenges of information explosion by adopting information technology. The Institute Library is providing quality services to the Scientists, Technical, Research scholars, farmers and supporting research and extension programmes.

The Institute library resources pertain to the field of Agricultural sciences, Veterinary Sciences, Animal Husbandry, Fisheries, Computer application, Agricultural engineering and allied Sciences to support Research, Training, Extension and Consultancy services in the related fields. The Institute Library has a highly specialized and excellent collection of Books, Journals, periodicals, Bulletins, Reprints, Maps, Toposheets, Annual Reports, Records, Tapes & CD-ROMs, Research documents, pamphlets and folders in the field of Agriculture, Veterinary Sciences, Animal Husbandry, Fisheries, Basic Sciences, Humanities, Technology & other allied subjects. This library subscribes online e- journals/e-books through CeRA & J- Gate and it is connected with ALL India ICAR Institutes' Library system.

All Scientists, technical, & other staff of the Institute are eligible for the membership of the Library. Library membership is also available to outsiders as "Special Guest Membership" with the permission by the competent authority.
