

Division of Crop Research

Personal Details

Dr. Nongmaithem Raju Singh
Scientist (Agroforestry)

Address : ICAR Research Complex for Eastern Region, P.O. Bihar Veterinary
College, Patna- 800014 (Bihar)

Email-ID : rajuforestry@gmail.com

Research Interest

Tree crop interaction, soil nutrient dynamics, ecological studies

Research Highlights

Tree crop interaction, soil nutrient dynamics under different agroforestry system

Memberships / Fellowships

Life Member of Indian Society of Agroforestry (ISAF)

Technology Developed

Publication Details

Singh, N.R., Arunachalam, A., Dobriyal, M.J., Gunaga, R.P. and Bhusara, J.B. (2017). Crop biomass and yield patterns of dominant agroforestry systems of Navsari district, Gujarat, India. Indian J. of Agroforestry, 19(2):72-78.
